THE democratic press doesn't display the tender solicitude for Mr. Blaine's health that it did in the days when his condition was such that his candidacy seemed impossible. credulity. During the past few months

SHE IS A HEROINE

terest by the accuracy of his forecasts. An Eloquent Tribute to the Life of He seems to have discovered the secret of divination. If, with equal certainty, the curtain veiling our future

The question is often asked, "Why does not Mrs. General Custer reside in Michigan, her native state?" Simply

ities which go to make up the span of life? In all ages men have tried to trate the future, searched for the key which holds inviolate the mystefound is a matter for congratulation. Once found all human sorrow would be condensed into a moment of time. ce upon and blot happiness from off

ter Calhoun and Elizabeth Bacon Custer, accompanied by two other stricken souls, Mrs. Captain Yates and Mrs. Lieutenant Smith, at down in the quiet little village of Monroe, Mich., and in dumb agony wept away the days with poor old Father and Mother Custer.

In the spring of 1877, when General Sheridan and his band of picked men accomplished the terrible task of penetrating the "bad lands," rescued the remains of those who fell in that Indian massacre, and brought them east for burial, Elizabeth Custer followed the muffled drum to her husband's last camping ground, then pitched her own Free traders will be able to extract tittle satisfaction from a perusal of Carrol D. Wright's report on the avercamping ground, then pitched her own tent in the neighboring city, where she could work with brain and with hand age wages of workers in various industies in protected America and free for her own heart's sake and for the sake of "her widows," as she always calls them—those who went down into that dark valley with her and who came out even more crushed and helpthat familes engaged in the cotton industry earn an average of \$657.76 per year in America and \$556.14 in Great Britain. In the woolen industry the

came out even more crushed and help-less than she.

Through the mother of Capt. Louis
Hamilton of the Seventh Cavalry,
(slain by Indians two years before)
Mrs. Custer was appointed secretary of
the newly organized Society of Decrative Art. During seven years she
wrote thousands of letters, bringing
workers and patrons together in the
most tasteful manner, and disseminating instruction, advice and encourfigures are, \$663.13 for the United ates, \$515.64 in England. Workers in glass earn \$859.64 in this country and \$501.69 in the queen's dominion. Pig iron workers receive \$591.61 in America and \$456.86 in Great Britain. American iron bar workers are paid \$784.11, while the same class of laborers ating instruction, advice and encour-agement in such masterly fashion as to place the Decorative Art society and piace the Decorative Art society and its off-shoot, the Woman's exchange, within an incredibly short time among the important institutions of our country. An attack of pen paralysis warned the society that their faithful secretary was really spending herself in their service, so they sent her to Italy for recuperation and fresh inspiration.

Soon after her return she yielded to the solicitation or the Harpers and hundreds of military friends and prepared her first story of garrison and In spite of the fact that the demo eratic donkey is without a load-the party having no issue-the New York contingent is active in endeavoring to bring about peace and harmony in the discordant, quarreling ranks. Just

hundreds of military friends and pre-pared her first story of garrison and camp life, "Boots and Saddles."

She was instigated, moreover, by a desire to correct a false idea of the character of General Custer dissemin-ated by sensational dramas and "yel-low covered hierature." So, though the ink was literally obliterated by denounce it as a superfluous and undented action, but they actually ot down on their knees and beseech he Cleveland leaders to stop it. The Buffalo Times, a radical democratic the ink was literally obliterated by tears, she persevered in the mournful task of reviewing those precious days that were gone. The gratifying success of her first book made the writing of those which followed much easier; and now, the assurance that she is raising a monument to the hero more valuable and more durable than grante or bronze, makes the writing and the speaking on the subject which is a part of her life both easy and pleasant. sheet, addresses an open appeal to Wil-Do L. Bissell, Cleveland's former law partner, praying him to step in between the opposing factions and wave the clive branch of peace. It is tearfully represented that he alone stands in such close personal and political relane to the ex-president that his advice and counsel would weigh mightily were he to offer his voice in derogation of the proposed convention. It is claimed on behalf of the Cleveland men that

The opportunity to do hospital work was another thing which made a residence in New York city so congenial at the very first to Mrs. Custer. Nothing relieved the painful throbbing of her own heart so fully as the ministrations Hill having prostituted his power to to the sick and suffering; and since 1877 she has been a regularly appointed hospital visitor, going two days a week for several years to the consumptives' ward in Bellevue. be given expression in this proposed convention. The only difference so far ng to the surface rests upon this sinte of feeling. The Cleveland men are determined that the delegation

In many ways Mrs. Custer has exemplified the sublimity not only of growing strong through suffering, but of imparting strength to others—a typical American woman.

B. L. B.

Hit in the Eye. Last evening during the play of "Muldcon's Picnic" at Radmond's, a portion of the audience began to hurl benames and oranges. A lady occupying a box, whose name could not be learned, was hit in the eye with one of these missiles. Size was forced to retire before the show was concluded.
